## FOR TOBACCO MEN.

In view of the trouble the tobacco men have had to get dry hogsheads, we have made arrangements with a firm to fur nish us knock-down hog-heads. This and guarantees to furniso us dry lumber. These hogsheads cost more, but to give our patrons just what they want, we have decided to buy them altogether. They are smooth and clear of knots, both heads dressed and we guarantee them to be satisfactory in everp way. A trial order from you will prove their superiority. We deliver them at our expense and when they are received examine them and if you are not satisfied return them by same dray, free of cost to you.

We have now on hand 475 packages and another car load on order. We propose to keep a good supply of these hogsheads on hand ready to put together at short notice. Remember, when your order is received it is booked and takes its turn. It is to our interest to fill them as fast as possible. Our shop is open from 6 a. m., until 11 p. m.
